

PRODUCT APPROVAL SPECIFICATION SHEET

As required by Florida Statute 553.842 and Florida Administrative Code 9B-72, please provide the information and approval numbers on the building components listed to be utilized on the construction project for which you are applying. We recommend you contact your local product supplier should you not know the product approval number for any of the applicable listed products. Statewide approved products are listed online @ www.floridabuilding.org.

NEW EXTERIOR ENVELOPE			
SHUTTERS			

I understand that, at the time of inspection, the following information must be available to the inspector on the jobsite:

1. A copy of the product approval.
2. The list of performance characteristics which the product was tested and certified to comply with.
3. A copy of the applicable manufacturers' installation requirements.

Further, I understand a product may have to be removed if approval cannot be demonstrated during inspection.
