

Paying Fees Online

Once your jurisdiction has received your application, fees will be added to the project for payment. You may pay the fees online if the jurisdiction offers the online payment service. The jurisdiction will notify you via e-mail when you are able to go online to pay the fees. Here are the steps you should follow to pay the fee online.

1. Once you are logged in, click on the “My Account” button at the top right area of the webpage.

2. Scroll down to the “My Permits” section and click on the “View Permit” link associated with the project you desire.

3. When the project opens, click on the “Payments” tab shown below. This will take you to the page listing the fees applicable to the project. It is also the page that allows you to pay fees online.
