

Accessing the Employee Portal (or Intranet)

Please Note: Employee Portal and Intranet are being used interchangeably

Prerequisites: You have created a profile on the City’s website and have logged in successfully with those credentials.

Method 1:

Scroll to the bottom of the City of Pensacola’s Main Page. At the bottom, you will see a section called “Using this Site”, click on the link, “City Intranet”

Method 2:

In the address bar, type: <http://cityofpensacola.com/intranet>

Again, you *have* to be logged in for this link to work, else you will get a permissions error.
